Daily and Weekly

1862. "Here let the press the people's rights maintain, Unawed by influence and unbought by gain."

THE DAILY AND WEERLY STATE SENTINEL are the recognized organs of the Democracy of Indiana. As it has in the past, the SENTINEL will continue to advocate these principles and measures which are best calculated to advance the happiness, the prosperity and the freedom of the people from all unjust and unnecessary restraints. While cheerfully sustaining the Government as loyal citizens should, the Sentings will vigilantly watch all encroachments upon popular rights and the true principles of constitutional liberty. The freedom of speech and the freedom of the press are necessary to preserve and secure free institutions. When these are struck down, no thatter what may be the apology therefor, from that day dates the decline of American liberty. In order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare and secure the blessings of liberty to ourselves and posterity, the Sentiness. will fearleasily scrutinize and approve or condomn, as it believes the public principles and measures which are best calculated to odtinize and approve or condomn, as it believes the public good requires, all measures of the State and National Administrations. It will ever keep in view the distinction between supporting the Government and the venal acts of those who represent the Government. And we appeal for the support of all who desire to maintain a pure Constitutional Government, and continue for ourselves and our posterity the glorious heritage of free institutions, won by the

valor and framed by the wisdom and integrity of the men who pledged their lives, their fortunes and their sacred honors for liberty and independence.

For the purpose of extending the circulation of the Daily and Weekly Indiana State Sastings, its proprietors solicit every Democrat, every friend of sound and conservative National principles to aid them in that object. It is needless to urge the importance of the press as an agency in sustaining a party organization and securing the success of its Principles, and Representative Men. The Santiset will take for its political guide the National and State Democratic Platforms and earnestly advocate the principles and policy they maintain.

The SENTINEL will, also, be a general newspaper. It will contain the latest TELEGRAPH NEWS from all parts of the world; a full and correct report of the Eastern Carries

MARKETS and the GENERAL MARKETS of all the principal cities of the Union; Foreign and Domestic Intelligence; Congressional Proceedings; full Reports of the Legisla-tive Proceedings of our own State; Interesting Tales, Literary and Religious Miscellany; Inventions and Discoveries; Decisions in the Supreme Court of the State and the Federal, Circuit and District Courts, with potices of their arguments and proceedings; the local news of the various counties of the State, which will be of general interest; the Commercial and Financial Intelligence; articles upon Agriculture and Science; editorial reviews and comments upon the current topics of the day, and full reports of the progress of the Civil Wan from our own correspondents and other sources. With a view of obtaining accurate information from

BY APPLYING ONE OF SANDERSON & STANTON'S

NEW BOILER PEEDERS OR WATER GOVERNOR. THIS MACHINE IS SIMPLE IN ITS CONSTRUCTION, is not liable to get out of order, keeps the water always at one hight in the boiler—be the evaporation much
or little—is a sure water guage and low water detector in
case of an obstruction in the pump or water pipes. One
of these machines has been thoroughly tested on the boiler
attached to the machinery of the Indiana State Sentinel

office. The public are invited to call and examine it for themselves. For further particulars inquire of I. LEWIS, Spencer House, Indianapolis, Indiana.

From the trial of the above machine on the boiler in our office, we are satisfied it will perform all that is claimed for it, and that it will be highly prized by any who use it.
